

2018 Montana Manufacturer of the Year Award Application

The Montana Manufacturer of the Year Award recognizes manufacturing importance to Montana's economy awarding innovation, growth, good corporate citizenship, and environmental excellence.

Winners will be presented with the award at our Manufacturing and International Trade Days in Helena on March 19, 2019. Governor Steve Bullock has been invited to present the award to the winning company.

Criteria:

Required:

- Must be a member of the Montana Manufacturing Extension Center or the Montana Manufacturing Association ([Interested? Join here.](#))
- Must be a Montana-based, Montanan-owned business.
- Must be focused on the manufacture of goods (not services).
- Must have been based in Montana for at least 3 years.

How to Apply:

Provide an up to an 800-word statement detailing why the nominated company deserves to win the 2018 Manufacturer of the Year award? In the past, winning companies have highlighted in their applications:

- Providing innovative, industry leading products;
- Exhibits commitment to support of their community;
- Offers a desirable work environment and compensation package;
- Embraces progressive manufacturing technology and methodology;
- A vocal advocate for the manufacturing industry;
- A safe workplace history;
- Advanced eco-friendly operation;
- Advocates for manufacturing career choices, and;
- Promotes manufacturing's contribution to Montana's economy.

We want to know what you are proud of! Whether it is an innovative shared work schedule, a new innovative product that has revolutionized your industry, or you were able to cut landfill waste by 50% - we want to know about it! Apply today!
