Join us for our first **Blazing Trails: Montana Women in Business Summit**, March 6-8, 2024 in downtown Bozeman, Montana.

Get ready to pioneer a new era of empowerment, inspiration, and connection! During the two and a half days of programming, we will deep dive into leadership development, financial well-being, venture capital/entrepreneurship, civic engagement, advocacy, and more. Connect with fellow trailblazers, industry leaders, and policymakers to grown your statewide network.

We will come together to celebrate **International Women's Day (IWD)** on Friday, March 8, 2024, uniting remarkable women from across the Treasure State and the globe for an unforgettable experience. IWD is a global day celebrating the social, economic, cultural, and political achievements of women. The day also marks a call to action for accelerating women's equality. The theme for 2024 is **Together We Thrive**.
